Observations... From Around Town

(BY JAY WHOZIT)

This week April 26—May 3, we observe National Boys and Girls Week, the purpose of which is to focus public attention upon the interests, activities, and problems of our youth and to give impetus to character-building activities of youth serving agencies, remember, the youth of today are the men and women of tomorrow... both Stanislaus and Bay High bands participated in the Band Contest held in Jackson, this week... Stanislaus rated Superior in both concert and marching, and Bay Hi results had not yet been received at this writing, hats off to Bro. Romuald and "Pat" Rooney for jobs well done... Miss Gaynel Gex, daughter of Mr. and Mrs. Walter J. Gex will reign as queen of the St. Joseph Academy May Festival on May 3rd, with Miss Georgia Rose Staehle as maid of honor... it isn't very nice to go out and find that some one has dumped garbage and other trash on your lot, but that is what is happening every day, because the city has no garbage dump of its own, nor does it have an incinerator, which it really needs and which would be of benefit to everyone... the date of the joint band concert of Bay High and Stanislaus sponsored by the Rotary Club, has been changed to Thursday, May first... interest is being revived in the drive for a swimming pool, by the Water Safety Committee, to teach swimming and life saving... this is a worthy cause, folks, so please lend your efforts to the cause... Messrs. Robert L. Camors and Fred Herlihy will represent the local Council, Knights of Columbus, at the State Convention to be held in Meridian, May 18-19... Miss Anne Smith, daughter of Mr. and Mrs. Carl T. Smith, student at Miss. State College for Women has made an A average for the first ten weeks of the second semester... Congratulations... several Bay St. Louis families had relatives or friends in Texas City, when that terrible disaster hit, there last week, but no fatalities have been reported by them... now that the voters of Bay St. Louis have ratified the action of the City officials in granting the Mississippi Power Company a new 25-year franchise, it should not be long until we note an improvement in electric service... the Garden Club motorcade going through town on Monday afternoon attracted much attention... we hope the visitors enjoyed their stay on the Coast and we welcome them back more often in the future... it won't be long now before you will be doing your shopping in Doc Damsey's new store, and what a swell place it will be, one that would be a credit to a city like New Orleans or any other its size... Congratulations, Doc and lots of luck... Postmaster Leo G. Ford has really been having a time trying to keep the Postoffice from floating away—the heavy rains of the past few weeks have kept the basement flooded—and the P. M. has been working overtime at the pumps trying to get rid of the surplus water—it is about time for Uncle Sam to take care of the situation... it is our understanding that the budget for the schools of Bay St. Louis for the coming year have been approved and that it shows a substantial increase for the salaries of the teachers. It is high time that some one has at last thought about giving the teachers of Mississippi a living wage. We understand that included in the budget also is a substantial salary to be paid a full time coach—he will be required to be a 12 month man—the salary so we are told will be very attractive and will probably induce some good coach to come to Bay High... and while we are on the subject of Bay High, school children need physical exercise and training as well as mental development... in order to get physical exercise they need a play ground, and one that does not place the children in danger of death in order to reach it... we think that it is the duty of the trustees to bring this matter to the attention of the Mayor and Commission Council—after all, the responsibility of the schools of the City is that of the Board of Trustees.

We have given, generously we hope, to the drives for Red Cross, Cancer Control, and Relief for other countries and now with the advent of the summer season it is time to give ourselves and our children, a present.

The need for a swimming pool, to teach swimming and life-saving, has been felt for many years by those in charge of Water-Safety and with the expanding program, has become a necessity, if the program is to continue successfully.

Due to weather conditions and changing depths of the water, it takes weeks to finish a class of beginners out in the Bay. With calm water of known depth, the same classes could be completed in ten days or two weeks, and hundreds of children could be taught in the time that it now takes for thirty or forty.

The drive for funds was started last summer and twelve public spirited citizens contributed sums of from five to one hundred dollars, so the fund already has a small nest egg for a starter this year.

A site for the pool has been offered by the city on the City Hall grounds and by next week the Water Safety Committee hopes to have some plans and estimates of cost. We have three qualified instructors in Bay St. Louis and hope to have another one soon. Let's all pull together to give these instructors and their assistants a nice pool for teaching. Their time is given free—remember!

GARDEN CLUB TOUR HELD ON MONDAY IN BAY ST. LOUIS

The Bay-Waveland Garden Club was host on Monday to officers, delegates and members attending the State Convention of Federated Garden Clubs in session April 21-23 at the Puena Vista Hotel, Biloxi. Forty-two cars formed the motorcade which was met at the traffic bridge and taken on a tour of the city. The garden and grounds of St. Augustine Seminary was visited and the visitors were taken for a drive along the thirteen mile stretch along the water front to Oak Street in Waveland. The J. T. Prowell garden was opened to visitors and they were received there by Mrs. Prowell in ante bellum costume and her mother. At the Pirate House, which was not opened to the visitors, a group of girls also in costume of that period and two boys in Pirate costumes formed a tableau on the balcony and here Mrs. J. R. Rollins dressed in keeping with the occasion sang two selections accompanied on the violin by Mrs. Frances Wilson. The W. J. Gex and Dr. H. A. Eldredge adjourned in gardens were open and here Mrs. Gex and her daughter Gaynel Gex gowning in similar costumes of the ante bellum days received the guests. Here tea was served by another group of girls all costumed to suit the occasion.

Assisting in receiving and serving in the gardens in costume were Mesdames A. P. Smith, Edouard C. Carrere, W. S. Willeberger, J. B. Goldman, E. H. Singreen, A. D. Dresher, Adeline Knoblock, Claude Hooton, H. A. Eldredge. Swimming Pool

We have given, generously we hope, to the drives for Red Cross, Cancer Control, and Relief for other countries and now with the advent of the summer season it is time to give ourselves and our children, a present.

GEORGE E. HEITZMANN ANNOUNCES FOR CLERK OF COURTS

GEORGE E. HEITZMANN

The Sea Coast Echo has been authorized to announce the candidacy of Mr. George E. Heitzmann for the office of Clerk of Courts of Hancock County. His statement follows: To The People of Hancock County: At the request of the citizens of Hancock County I have decided to be a candidate for the office of Clerk of Circuit and Chancery Courts. It has been my ambition since first entering public work thirteen years ago to attain this High Office.

I fully realize the many duties and responsibilities required of this office with which I was connected for approximately three years in the capacity of assistant. I have served the people of the county in various capacities during the past several years. I was employed in the Sheriff's Office and later worked with the Department of Public Welfare returning to the Courthouse in 1939 to work in the Office of the Clerk of Courts. With the enactment of the Selective Service Act I accepted employment with them in 1941 at which post I remained until the termination of the Act. During my employ with Selective Service, I with other leading citizens, helped organize a Veterans Program for the entire county. I voluntarily served as Secretary on this Committee from the early part of 1942 to the present time.

My platform is simple and brief. I offer honest, courteous and efficient service. The duties of my office will be my primary interest. I have always placed the problems of the Veterans before all other duties and I offer to them my continued cooperation. As to my personal background: I was born in Bay St. Louis and have lived here since birth. I am the son of Mr. and Mrs. Albert Heitzmann; am a graduate of St. Stanislaus College; volunteered for service, sent to Camp Shelby in April 1943 and rejected. I am married and am the father of two children.

Should I be elected I promise to fulfill the duties of the office diligently and will not betray the confidence reposed in me by the voters of the county.

I wish to thank in advance all those who support me and will bear no malice against those who for their own reasons choose to vote for any of my opponents.

I will do my utmost to contact all of the people of the county but with the limited time remaining should I inadvertently miss some it will be accidental and not intentional.

I wish to state that I am in no way affiliated with or sponsored by any political parties or organizations. I am strictly on my own. Yours for the welfare of Hancock County,

GEORGE E. HEITZMANN.

Gaynel Gex Will Reign As Queen

The contest which was to decide who would reign as Queen of the annual St. Joseph Academy May Festival came to a close on Monday, April 28.

The contestants and their friends met in the library immediately after school where their votes were to be counted. It was soon disclosed that Gaynel Gex's votes amounted to \$1560, the largest amount yet to be turned in by a single contestant.

The runner up is Georgia Rose Staehle whose work also for the contest is worthy of praise. She will act as Maid of Honor in the Court.

Preparations are under way for the gayest and prettiest May Festival yet held at S. J. A.

The crowning of the May Queen will take place at 8:00 p. m. on Saturday, May 3, in the St. Joseph Memorial Hall.

AMERICAN LEGION CAMPAIGN NEWS

Preparatory to opening their building fund campaign, the Clement R. Bontemps Post No. 139 of the American Legion held a meeting at the Scout House on Thursday night, April 24th, at which time the tickets for the show to be staged at the Orthe Theater on LEGION DAY, May 15th were put on sale and allotted to the committee in charge for further sale to the general public.

Further plans for future entertainments were made in an effort to bring the campaign to an early conclusion and from all indications, the success of the coming campaign is assured.

Don't forget—Legion Day—May 15, 1947.

Coffee and Pie Sale Nets Neat Sum for Cancer Control Fund

The coffee and pie sale on Saturday last week for the Cancer Control Fund netted a satisfactory sum. The sale was in charge of Mesdames W. L. Bourgeois, county chairman; E. H. Singreen, Leo W. Seal, Miss Mary Perkins and Al Voight who is city chairman of the drive.

This group will go to Kiln on Saturday evening in the interest of raising the quota of \$300.00. Mrs. Bourgeois appreciates the splendid cooperation of the people but says there is a long way to go yet. It behooves the people of the city and county inclusive to mobilize their strength and interest and put this drive over in a big way.

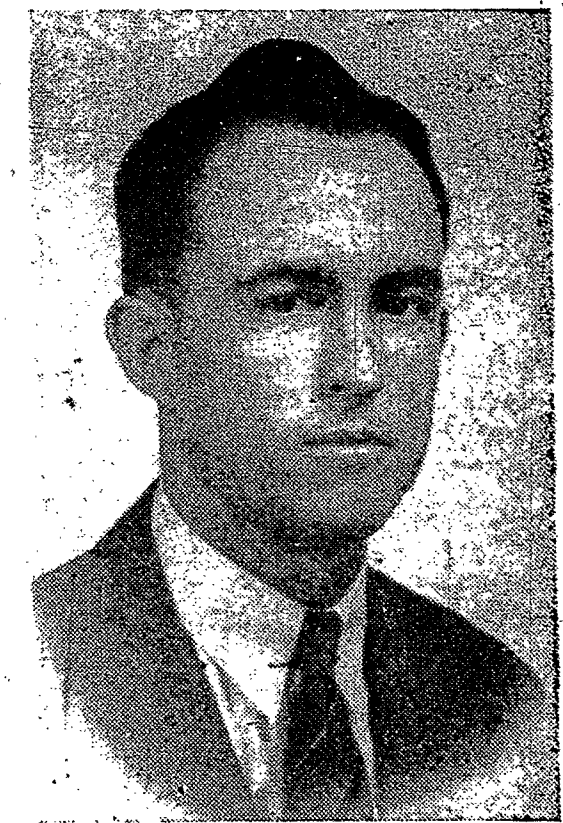

Who knows who the next cancer victim will be. It could be you or a member of your family but if cooperation is concentrated on Cancer Control it won't be any of us. We are counting on you Mr. Public to see that this, the first drive since the formation of the county unit of Cancer Control, is a success and that the quota plus is made without delay for this time Hancock County gets recognition in the National association.

JUNIOR-SENIOR PROM AT S. J. A.

As the school year nears closing time, the Junior-Senior Prom is one of the outstanding Social Events and this year proved a truly gala affair for the young ladies of St. Joseph Academy class of 1947.

The spacious S. J. A. auditorium was artistically decorated to represent Heaven. Having yellow and white crepe paper arranged to resemble the golden walls and the purity which prevails in heaven, with a number of decorative angels suspended throughout the building.

CLARENCE M. LADNER ANNOUNCES FOR COUNTY SUPT. OF EDUCATION

CLARENCE M. LADNER

The Sea Coast Echo is authorized to announce the candidacy of Mr. Clarence M. Ladner for the office of Superintendent of Education in Hancock County. His statement to the people follows:

Fellow citizens, I take this means of announcing my candidacy for Supt. of Education in Hancock County, an office which I hold uppermost in importance in our present day and time. Never before have we had a more desperate need of that firm foundation upon which democracy is built. That, fellow citizens is Education. Now, more than ever, we need proper guidance in combating the evils that would destroy our civilization I feel that I am qualified to afford that guidance in Hancock County. I feel that I know the situation existing in our schools and the obstacles to be disposed with before our system of Education in this county can be put on a firm basis.

I wish to acquaint myself to the voters of this county and from time to time during this campaign to discuss with you my objectives and your problems. As to me personally, I do not feel that I need a formal introduction as I was born, reared, and educated in Hancock County. I am one of a large family, having resided on a farm in the Deadeaux School District of this County, rode and drove a school bus approximately five miles each way to school until such time as I finished high school I then entered Pearl River College at a time when the going was tough due to the depression. Having completed two years of study there I entered the teaching profession at a very low rate of pay but because of my ambition for doing my bit to further education, I stuck it out, going to summer school and taking correspondence courses. I gradually equipped myself with the necessary qualifications and experience necessary to discharge the duties of the office to which I aspire. I am very grateful for the opportunities afforded me by this county. It is for this reason that I come to you as an aspirant to the office of Supt. of Education so that I may keep and improve the opportunities of education that this county has to offer.

Having taught both in the high schools and grammar schools; serving as principal and superintendent, I believe that I can discuss problems with teachers of any grade and help reach a conclusion: Because I both rode and drove a school bus, I feel that I can appreciate the problems of transportation, and if I am elected to this office, I wish to use my experience to the best advantage of every educated boy and girl of this county.

We know that the process of education is slow and our boys and girls need much encouragement to keep them from quitting and falling by the wayside. It is my desire to use my influence and cooperation to ward encouraging the future men and women of this county along a better education. Having three children of my own, 2 of which will soon be of school age, I already feel the responsibility of affording the best educational advantages possible.

I plan to conduct my campaign on a level becoming to that of an educator; using my merits as a means of soliciting votes. If and when I am elected I shall ask for the unity of all forces in their cooperation toward making the schools of Hancock County second to none in the State of Mississippi, keeping uppermost in their minds that through the schools and churches of this country today will our youth take their places tomorrow.

The above statements have been given serious thought and consideration and as one citizen, father, teacher, and bus driver to another, I sincerely solicit your vote, influence and cooperation in the coming election.

Sincerely yours,

Clarence M. Ladner,

Bobby had taken his sisters to the movie theatre and had gone to the home of the Kieifers for a visit with Charles Kiefer until time to call for his sisters. The boys had been examining a German made pistol which Captain Kiefer had brought home and in some unaccountable way the pistol exploded, shooting Bobby in the left shoulder. The bullet penetrated the shoulder above the heart and lodged in the ceiling of the room where the boys were. The ambulance was called, but Charles had already helped Bobby into the car and driven him to the Kings Daughters Hospital. Last reports are to the effect that all danger from an type of reaction had passed and that the boy is on the road to recovery. Mrs. Boh was at home alone when the accident occurred but reached Mr. Boh in Chattanooga by phone and he left immediately for home.

Small Twister Sunday Causes Considerable Damage

Bay St. Louis was visited on Sunday by a baby cyclone twister which did considerable damage. A large oak tree which has stood for many years was snapped off near the ground. The tree measured six feet in diameter and was between 80 and 90 feet high.

At Waveland, the Camp Onward pier had the entire top blown off and considerable damage was done to the M. A. Gilmore and Dr. H. A. Eldredge piers. The wind traveled west and struck with great force at Brown's Vineyard unroofing the low rambling cottage and tearing off the iron arch over the gate which has stood sentinel for well over a half century. Many trees were uprooted in the wake of the cyclone which followed through to Logtown doing quite a bit of damage to the Lamar Otis property and to the Asa Weston home one of the oldest in Logtown. Its fury lasted for three hours.

DON'T DO THAT!

American Red Cross Photo
Spring housecleaning time is dangerous time in American homes, the Red Cross warns. Cluttered stairways are a particular hazard, so watch where you step.

According to Red Cross Accident Prevention Service, housewives are making accidents in the home a far too prevalent custom.

Spring house cleaning is an old American custom. The American Red Cross advises the spring clean-up should be a safety check up as well.

Here are some timely hints: Keep stairs and landings always free and train the family to cooperate. Falls account for more than half of the 33,000 home fatalities, every year.

Inspect floors and stairs and repair immediately, if they are defective. Paint the bottom step of the basement stairs white to prevent falls. Place light switches at the top and bottom of stairs.

Eliminate fire hazards by cleaning up all rubbish piles. Take a look at the attic too and reduce hazards there. Never smoke when near highly flammable substances, in storage attics or closets.

House cleaning half involves special hazards the housewife should take particular care to avoid.

Use non-flammable, non-poisonous and non-explosive cleaning fluids. Avoid fire hazards by destroying rags used in applying wax, oil or cleaning mixtures.

Clearly label poisonous cleaners and keep them out of reach of children.

If house cleaning is a family job, remember that elderly persons and children should not undertake duties involving reaching and lifting or carrying heavy and cumbersome objects.

Above all remember safety is part of the year round home-making job. Safe living depends on the cooperation of everyone in the family and on a continuous program of accident prevention.

ORTIE THEATER
SUNDAY AND MONDAY
"THE KILLERS"

Starring Edmond O'Brien,
Ava Gardner, Burt
Lancaster

"The Killers," a polished and tantalizing chase melodrama produced by Mark Hellinger to play Sunday and Monday at the Ortie Theatre.

Though inspired by a fine Ernest Hemingway short story, the film owes a great debt to its Anthony Veiller screen play, its direction by Robert Siodmak and its round of well controlled performances. Hemingway has merely set the stage with his sketch of killers seeking a re-signified victim in a small town; the film-maker's art has contributed the rest and most, imagining the deep-rooted causes for the killing and piecing together a whole story of crime and passion in a series of flashbacks. The result in "The Killers" is a deft combination of action and mystery.

The cast carries out the mood of the piece with a general tendency toward underplaying. As the Swede, an ex-boxer turned grand larcenist Burt Lancaster portrays a likable fall guy in a most promising screen debut. Sam Levene is perfect as a friendly cop who really knows his business, and Edmond O'Brien pursues the chase with dogged calm as the insurance detective. Ava Gardner makes a conventional gun moll, but the other criminals, including Albert Dekker, Charles D. Brown, Jack Lambert and Vince Barnett, are well defined individuals. With Hemingway to give it a start and Siodmak and company to carry it thru, "The Killers" is a sure and solid motion-picture thriller.

QUESTIONS & ANSWERS

Q. Does my right to obtain a guaranteed loan continue indefinitely?

A. No, but you have until 10 years after the official termination of World War II.

Q. Are there any charges for guaranteeing or insuring a G. I. Loan?

A. No. Commission brokerage and similar charges may not be legally made against the veteran for securing a guaranteed or insured loan. Of course, customary out-of-pocket fees usually borne by the borrower, such as appraisal, title examination fees and other costs and expenses incident thereto, may be charged against the veteran by the lender, the same as against all borrowers.

Q. What will happen if I do not make my loan payments?

A. That depends upon the terms of your loan, the attitude of the lender and the laws of the State where the veteran and security are located. If payments are not made when due, the loan is default and the lender may take such action as is provided in the loan agreement and is permitted by the state law and by the regulations for guaranty and insurance of loans.

Q. Does Veterans Administration make loans or find a lender for me?

A. Veterans Administration does not make loans, or find a lender for me.

WEDDING OF GENERAL INTEREST

A wedding which claimed general interest here and in other cities was that of Miss Dorothy Bertucci, daughter of Mr. and Mrs. William Bertucci and Mr. Lucas F. Pucheu, Jr., son of Mr. and Mrs. Lucas F. Pucheu of this city which was solemnized at Our Lady of the Gulf Catholic Church on Sunday, April 20 at 2 p. m. Rt. Rev. Msgr. A. J. Gmelch performing the ceremony.

The bride given in marriage by her father, entered the church to the strains of the Bridal Chorus from Lohengrin, played by Mrs. Marie Weber at the organ and Miss Louise Armstrong, violinist. Mrs. Edouard Carriere sang Ave Marie and I Love You Truly.

The bride wore a becoming suit of white wool worn with a hat of white flowers and veiling, white accessories and a shoulder corsage of purple orchids.

She had as her only attendant her sister Miss Amelia Bertucci who wore a pink wool suit with a hat of matching shade and a corsage of white roses.

Mr. Pucheu had as his best man his uncle Norman Rice of Gulfport. A reception followed the ceremony at the home of the bride's parents where the four-tiered wedding cake, centered a lace covered table, bright with spring flowers. The house was bright with containers holding pink and white lilies.

The couple left for a honeymoon trip to Florida and upon their return will make their home in Gulfport.

The wedding is a culmination of a school day romance both having graduated from Bay High.

Mr. Pucheu served 23 months with the U. S. Rangers overseas; was in the invasion of Anzio Beach and was a prisoner of the Germans for 17 months.

He wears the British Colors for the British Commandos, the Purple Heart, Presidential Unit Citation and several other decorations.

Many good wishes follow the young couple in their new life.

Out of town guests here for the wedding were Mr. and Mrs. Sam Heintze, Mrs. A. J. Heintze, Mr. and Mrs. Mack Sweeten, Mr. and Mrs. John Stansbury, New Orleans; Mr. and Mrs. Howard Gray, Mr. and Mrs. W. J. Adams and W. J. Adams, Jr., Mr. and Mrs. C. J. Lyons, Mr. and Mrs. Norman Rice, Gulfport.
